Conference 2009

The 2009 IASSM Conference is designed to meet the growing challenges posed by personnel working in decontamination units in hospitals. There have been significant economic developments in the Country in 2008 posing a new challenges to the Decontamination Industry. Lean projecting and cost savings are becoming key area's requiring our attention and the need for saving whilst not compromising quality of Service is a challenge we all face.

Topics include

1. Motivation for staff
2. 21ST Century processing
3. Loan instrument management
4. Practical approach to managing transport of RIMD
5. Lean projecting
6. Validation contracts/testing schedules
