

Dublin Dental University Hospital

OUR MISSION

The Dublin Dental University Hospital (DDUH) is a National Centre for dental education, research and patient care. We continuously strive to enhance the learning experiences of our students, alongside the delivery of high-quality care to patients, in a dynamic academic environment.

Face masks must be worn inside the Dublin Dental University Hospital.

The Dublin Dental University Hospital would like thank our sponsors and exhibitors. Exhibitors will exhibit in the hospital foyer on the day of the event.

Continuing Professional Development Day Saturday 21st May 2022

This onsite event will deliver lectures that will consist of practical workshops for dentists, dental nurses, dental hygienists, technicians and RIMD professionals in
