

*11th World Sterilization Congress and the
7th International Symposium of Sterilization and
Hospital Infection Control*

WORKSHOP

Workshop July 30 from 12:45 to 1:45 pm

Company: SP HUMAN

Date: July 30

Time: 12:45 -1:45 pm

Auditorium 01 (160 seats)

Theme: What Lies Within the ISO 15883-4 – The German Experience

Speaker: Petra Labonte, Nurse Specialist in Endoscopy by the Bildungszentrum , Wanne, Wanne Eickel Germany, Germany

Company: B| Braun

Date: July 30

Time: 12:45 -1:45 pm

Auditorium 02 (157 seats)

Theme: Systems to Use Containers

Speaker: Raquel Souza, Brazil

Company: LABNEWS

Date: July 30

Time: 12:45 -1:45 pm

Auditorium 03 (160 seats)

Theme: Factors that Determine the Efficiency of Instrument Cleaning

Speaker: Kelly Lidia A. Rodrigues, Nurse Consultant - LABNEWS, Brazil

Company: JOHNSON & JOHNSON MEDICAL - BRAZIL

Date: July 30

Time: 12:45 -1:45 pm

Auditorium 04 (200 seats)

Theme: Sterrad 100NX: The Evolution of Plasma Hydrogen Peroxide Steam Technology

Speaker: Dan Smith, USA

WORKSHOP

Date: July 30

Time: 12:45 -1:45 pm

Auditorium 08 (130 seats)

Theme: Advantages of Automated Cleaning: Saving Water/Sustainability

Speaker: Thomas Fengler, Germany

Company: 3M -BRAZIL

Date: July 30

Time: 12:45 - 1:45 pm

Auditorium 09 (300 seats)

Theme: Microbiological Efficiency of Water Free Surgical and Non-Surgical Hand Hygiene

Speaker: Julia Kawagoe, Brazil

Company: 3M - Brazil

Date: July 30

Time: 12:45 -1:30

Large Auditorium 400 seats

Theme: Evaluation of Residual Microbial Flora in Flexible Endoscopes Utilizing ATP

Speaker: Michelle Alfa, Canada

Workshop July 30 from 6:30 to 7:30 pm

Company: Mack Medical

Date: July 30

Time: 6:30 -7:30 pm

Auditorium 01 (160 seats)

Theme: Steam Sterilization: The Evolution of Recommended Practices

Speaker: Richard Bancroft, Albert Browne, England

Company: B| Braun

Date: July 30

Time: 6:30 -7:30 pm

Auditorium 02 (157 seats)

Theme: Systems to Use Containers

Speaker: Raquel Souza, Brazil

Company: Comercial 3 Albe

Date: July 30

Time: 6:30 -7:30 pm

Auditorium 03 (160 seats)

Theme: Symposium – Detergency and Pre-Disinfection

Speaker: Frédérique Olivier, France

Company: ERWIN GUTH

Date: July 30

Time: 6:30 -7:30 pm

Auditorium 04 (200 Seats)

Theme: A Hospital Tracing System – Intelligent Management of Surgical Instruments

Speaker: Nurse Clarice T. Lehfeld

Company: Cisa Brazile

Date: July 30

Time: 6:30 -7:30 pm

Auditorium 08 (130 seats)

Theme: Reprocessing Medical Devices, Dealing with Infectious and Bio-Hazardous Waste

Speaker: Iyad Alamleh, General Manager of CIISA Eastern. Marco Antonio Bahls, CISA America Inc.- General Manager

Company: GETINGE

Date: July 30

Time: 6:30 - 7:30 pm

Auditorium 09 (300 seats)

Theme: Innovative Technologies that Preserve Resources and Generate Savings

Speaker: Abdool Karim, BSC, MD, MBA, Sunnybrook Health Science Center Toronto, Canada

Workshop July 31 from 8:00 to 8:45 am

Company: LIFEMED

Date: July 31

Time: 8:00 - 8:45 am

Auditorium 01 (160 seats)

Theme: The Benefits of Disposable Surgical Scrubs to Prevent Infection, Preserve the Environment and Costs

Speaker: Tim Galekop, Belgium

Company: SJD RECUPERADORA

Date: July 31

Time: 8:00 -8:45 am

Auditorium 03 (160 seats)

Theme: Color Encoding for Surgical Instruments: Scientific Aspects and Clinical Studies

Speaker: Julimar Lopes, Technical Director of "SJD Recuperadora e Codificadora de Instrumentais Cirúrgicos", Brazil

Company: PLANITRADE

Date: July 31

Time: 8:00 -8:45 am

Auditorium 09 (200 seats)

Theme: The Evolution of Enzyme Detergents – Cleaning Has Never Been so Close to Disinfection

Speaker: Mr. Bernard Esquenet, Chemistry and Electrochemistry graduate of the Reims University in France. Specialist in Electroplating. Founder and Co-President of The Ruhof Corporation (USA), the first to ever use enzymes to clean surgical instruments

Workshop July 31 from 12:45 to 1:45 pm

Company: JOHNSON & JOHNSON MEDICAL BRAZIL

Date: July 31

Time: 12:45 -1:45 pm

Auditorium 01 (160 seats)

Theme: Evaluating the Impact of New Sterilization Technologies on the Environment

Speaker: To be confirmed

Company: B| Braun

Date: July 31
Time: 12:45 -1:45 pm
Auditorium 02 (157 seats)
Theme: Systems to Use Containers
Speaker: Raquel Souza, Brazil

Company: AMCOR Flexibles Brazil
Date: July 31
Time: 12:45 -1:45 pm
Auditorium 03 (160 seats)
Theme: Cleaning Instruments at CMSs: An International Challenge
Speaker: Martin Pfeifer, Germany

Company: Kimberly-Clark
Date: July 31
Time: 12:45 -1:45 pm
Auditorium 4 (200 seats)
Theme: Caution at the Surgical Room – Can the Barrier Properties of Materials Influence the Results of Patients Negatively? Do We Really Understand This Property?
Speaker: Wava M. Truscott, USA

Company: H Stratnner
Date: July 31
Time: 12:45 -1:45 pm
Auditorium 08 (130 seats)
Theme: Advances in Reprocessing Complex Instruments
Speaker: Samuel Morais, England

Company: 3M - Brazil
Date: July 31
Time: 12:45 -1:45 pm
Auditorium 09 (300 seats)
Theme: Safe Cleaning that Emphasizes the Use of Enzyme Detergents – Outcomes in Brazilian and Canadian Laboratories
Speaker: Michelle Alfa, Canada

Company: STERIS
Date: July 31
Time: 12:45 - 1:30 pm
Grande Auditorium (400 seats)
Theme: A New Option for Low Temperature Sterilization: Hydrogen Peroxide V-1 PRO™ Steam Sterilizer
Speaker: To be confirmed
